In Kam's workshop, The Yuen Method: How to Eliminate Any Pain Within Two Minutes or Less Without Physical Contact, you will witness a demonstration of Kam's method on participants in the audience who have physical and/or non-physical pain.

Dr. Yuen will show you how any pain can be eliminated faster and more effectively than by taking pharmaceutical pain relieving drugs and long-term therapy.

His objective is to show you how to read the mind, body, and spirit to get clinical results without much verbalization and dramatization and to show how treatment may be given without embarrassing a patient physically or otherwise.

He will present a new paradigm for treatment of injuries, illnesses, and pain that may be physical, mental, emotional, psychological, psychic, or spiritual for you to evaluate and learn.
